Dear Lorraine:

I was pleased to be able to speak with you over the telephone the other day about the contribution of the Council for Tobacco Research for the forthcoming conference on "Nutrition and Lipids. Health and Disease". We are very grateful for this contribution of \$500.

Funds for the conference are being collected for Malaysia at an account at the Bank of America entitled "Bay Area Oxygen Club: c/o Professor Lester Packer". I would appreciate the check be made out in that way with a notation that it is for the Malaysia conference. If possible also please indicate the account number, which is 01759-08960.

Thank you very much for your assistance in this matter.

Sincerely,

A handwritten signature in black ink that reads "Lester Packer".

Dr. Lester Packer
